Text: Physics 8th Ed. by Young&Geller and Physics 201 Lab Manual (published by Hayden-McNeil)

Grading: 4 Exams 60%, Final 20%, Lab 10%, Recitation (quizzes) 5%, Homework 5%

Note: You must achieve a 70% or better in the laboratory in order to pass the course.

If your grade on the Final Exam is higher than your lowest grade on one of the four exams during the semester, the grade on the Final will replace that one lowest exam grade in computing the course grade. The Final Exam grade **cannot** be used to replace an exam that has been missed.

September 1 is the last day to drop with no record; November 3 is the last day to Q-drop

Final Exam: Dec 13, 3:30-5:30
