From Houston take I-45 going North, past the Woodlands, in the direction of Conroe.

Take loop 336 right before Conroe. Exit and go left at the light onto Loop 336. Continue on 336 for approximately 4.5 miles until you get to FM 2854. This part is a little tricky because you exit right past 2854 to the right and it loops back to 2854. When you get to the stop sign at that point you turn right onto 2854. You are heading west.

You go west on 2854 for approximately 8.2 miles until you come to Keenan Cutoff on the left. It only goes to the left. Follow Keenan Cutoff for 3.2 miles until it dead ends into FM 149. Turn left onto FM 149 and go 1.9 miles. You are traveling south on FM 149. You will pass one driveway on the left, whose address is 8280.

The entrance to CB is the next road to the left. Turn into the driveway where there is a wooden sign that says Cook's Branch. You will come to a closed wooden gate that says Cook's Branch Conservancy. Enter through the gate and close it behind you. Proceed on the road, a bit more than 1 mile, until you come to a fork in the road where there is a sign that says Firemeadow. Take the road to the right at the sign to Firemeadow.
