Dear Student:
In this course you will be using MasteringPhysics, an online tutorial and homework companion to your textbook.

What You Need:

- A valid email address
- A student access code (packaged with your text or available for purchase at [http://www.masteringphysics.com/](http://www.masteringphysics.com/) OR a student account on Mastering Physics from a previous semester.
- The zip code for your school: 77843

In addition, your instructor will provide you with:

- A “Course ID”: MPKAMON54561

Student Registration:

- Go to [http://www.masteringphysics.com/](http://www.masteringphysics.com/) and select the textbook for your course (Young/Geller).
- If you have your access code, simply click Register. Don’t have a new access code? Click “Buy Now” and simply follow those steps to register.
- Read the License Agreement and Privacy Policy and click “I Accept.”
- Leave “No, I am a New User” selected, then type in your Access Code in the fields provided. (Enter one “word” per box, without the dashes.)
- Enter your School Zip Code, select your Country and click Next.
- Enter your Name and Email and select Your School.
- Create a personal Login Name and Password, answer the Security Question and click Next.

If successful, you will receive a Confirmation Screen with your registration information (this information will also be emailed to you).

Enrolling in Your Course:
You will need to “enroll” in your MasteringPhysics course to be included in your instructor’s gradebook.

- Go to [www.masteringphysics.com](http://www.masteringphysics.com) and select the textbook for your course (Young/Geller).
- Under "Established User," enter the login name and password you created and click Log In.
- When prompted, enter your Course ID (MPFORD08414). Use your TAMU student ID number.

Congratulations! You now have access to the powerful resources of MasteringPhysics. To access your course from now on, simply go to [www.masteringphysics.com](http://www.masteringphysics.com), click on your textbook, and enter the login name and password you just created.

System Requirements & Technical Support:

- Check the “Minimum System Requirements” to make sure you have everything you need to run Mastering Physics.
- View the “Navigating Mastering Physics” page to practice using the Mastering Physics navigation.
- Go to [http://www.masteringsupport.com](http://www.masteringsupport.com) and click “MasteringPhysics” for Frequently Asked Questions, minimum requirements, and extensive online help resources.
